
has permission to be

AWESOME

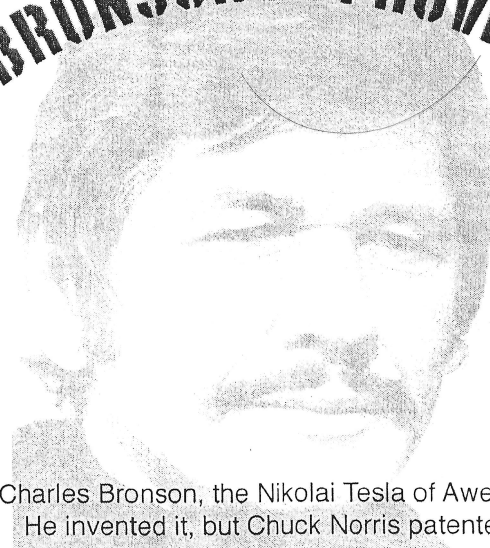

To be awesome, the above
signed must:

- remember they have
permission to do the right
thing, even if that means
saying “no”.
- kick ass in creative and
constructive ways
- be always vigilant in sharing
awesome things with others
- have fun, no matter what

Kevin Lawver: Grand Marshall
International Day of Awesomeness

BRONSON APPROVED!

Charles Bronson, the Nikolai Tesla of Awesome.
He invented it, but Chuck Norris patented it.
